Developing Countries **NGO Delegation**

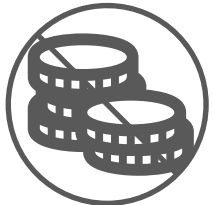

WHAT LEARNERS CAN EXPECT

Four Modules: Fundamentals, Diagnostics, Drugs, and Vaccines

- Video lessons
- Activities, support materials
- Advocacy plan template
- End of module and quizzes and final comprehensive test

Free of charge

Self-paced

No specific start and end dates

Certificate if you complete all four modules and receive a passing score on the final comprehensive test.

TYPES OF LESSON ACTIVITIES

THINK about the lesson topic before watching a video

WRITE down your questions and what you would like to learn for each lesson

WATCH a lesson video and take notes on key topics

RESEARCH a topic using resources provided in the lesson

ENGAGE in community dialogue on a topic

CREATING YOUR ADVOCACY PLAN

- Determine your advocacy **OBJECTIVES**
- Identify **ASSETS** that you can use for your advocacy
- Build an advocacy **TIMELINE** - key dates, moments, events and opportunities that can help achieve your advocacy objectives
- Decide what messages you need to **COMMUNICATE** in your advocacy and how you will communicate those messages
- Have a plan for how you will **MONITOR AND EVALUATE** your progress

AFTER THE COURSE – READY FOR ACTION!

- Work on your advocacy plan throughout the course, so that you are ready to put what you learn into action!
- Connect with the Working Groups, the Stop TB delegations, and other advocates to support each other and collaborate on advocacy opportunities
- Provide feedback on the course, so that we can continue to improve it for future learners.

CONNECT WITH US!
